Head of School: Mrs Spokes

To Whom It May Concern,

I am delighted to provide this reference for Rauf Bashir, whom I have had the pleasure of working with through his role as a governor at Lomeshaye Junior School.

Throughout his time supporting the school, Rauf has demonstrated a genuine commitment to improving outcomes for children, families and the wider community. He brings a strong understanding of both the education sector and the importance of community engagement, consistently considering how schools can work in partnership with families and local organisations to create opportunities for young people.

As a governor, Rauf has provided thoughtful challenge and support, contributing strategically to discussions around school improvement, curriculum development and long-term planning. He has a natural ability to look beyond immediate issues and consider the wider impact of decisions, helping to ensure that the needs of learners remain at the centre of strategic thinking. His insights are always balanced, informed and focused on achieving positive outcomes.

Rauf is an innovative thinker with a clear vision, but importantly, he combines this with determination, professionalism and a practical approach that enables him to deliver tangible results. He is highly respected by colleagues and stakeholders alike for his integrity, reliability and commitment to making a meaningful difference.

On a personal level, Rauf is approachable, compassionate and genuinely invested in the success of others. He builds positive relationships with ease and leads through collaboration rather than authority. His professionalism, strong values and commitment to serving communities make him a trusted and influential leader.

I have no hesitation in recommending Rauf for future opportunities. I am confident that he will bring the same passion, strategic thinking, professionalism and dedication to any role he undertakes and will make a positive contribution to the organisations and communities he serves.

Should you require any further information, please do not hesitate to contact me.

Yours faithfully,

Nicole Delamere

Executive Headteacher
